Lockdown! Locks, Lights, Out of Sight

“Gunfire, Violent Intruder, Dangerous Animal, etc”

- There will be an announcement over the loudspeaker or a message delivered in person when it is time to move into lockdown procedures.
- As teachers go out to lock their door, they are to scan the hallway and bring all students from outside and hallways into their pre-designated area / classroom. Do not linger in the hallway.
- Do not stick your head out of the classroom door or open the door for anyone once it is locked. Students stuck on the outside of a locked door need to be directed to go to the closest safe spot to hide (example – restrooms)
- If a teacher cannot lock their door, they are to take student to a nearby lockable room or area, combining classes if necessary.
- Lock the door, turn off the lights, close the blinds, and get out of sight.
- Keep students silent and out of view of windows.
- Teachers will take roll to account for each student.
- **Do not let any student or staff member in or out of the room until the Law Enforcement individually clears each room. Each campus will move from lockdown status by Law Enforcement individually clearing the campus.**
- **Campuses will move from “Lockdown” to “Evacuation” as directed by Law Enforcement officers only.**

School personnel will not confront a person who appears to be violent. 911 should be contacted immediately.

In all Emergency Situations, we will be using the red /green cards if requested . You will be asked to display red or green cards by Administration or Law Enforcement) the color card based on your situation:

Green: All students are accounted for and there no problems

Red: Have missing students, additional students, medical issues or any other problems

Evacuate! To the Stated Location

***“Using the Announced Type and Location”
(Fire, Gas Leak, Bomb Threat, etc.)***

- Begin evacuation procedures when you hear the fire alarm or are told to do so by an administrator. If law enforcement is conducting the evacuation, follow their instructions.
- Take the room’s Emergency Go Kit with you outside.
- Move quickly and silently in a single file line holding the person’s hand in front of and behind you out of the building, exiting to your assigned area outside using the pre-determined evacuation routes. If the exit is blocked, then exit out of the closest safe location.
- Turn off lights and close the classroom door upon exit.
- Organize students at the designated evacuation location and take roll to account for all students.
- Utilize the red /green card system if requested
- Maintain quiet, calm control during the entire procedure.
- Be alert to direction from a recognizable staff person to either resume normal activities or move to another location (secondary evacuation). Do not touch any unidentified, suspicious items.

In the event of an evacuation before school, lunch, after school or other time when students are not in classrooms, students will evacuate using posted routes and will be supervised by any available staff members.

Secondary Evacuation

If necessary, staff may need to move students to a secondary central location on the campus grounds or it may be necessary to secure students to prepare for an alternate evacuation site. Staff will be told by campus administration and or law enforcement, when and where to evacuate to a secondary location on campus or to an alternate location off the effected campus.

Evacuation to Alternate Location

In the event of a disaster or emergency, the school may close and the students and staff would be transported to another location.

DSES’s primary alternate location is SSES.
RSES’s primary alternate location is DSES.
SSES’s primary alternate location is DSES.
WSES’s primary alternate location is SSES.
DSMS’s primary alternate location is SSMS.
SSMS’s primary alternate location is DSMS.
DSHS’s primary alternate location is SSMS.
Administration’s primary alternate location is SSES/MS.

Staff will take their Emergency Go Kit with them when they move to the alternate location.

When traveling by bus:

- Check the student roll as they board the bus
- Stay with the students on the bus and when they arrive at the designated location.

Upon arrival:

- Organize students in the area designated by campus administration or law enforcement.
- Utilize the red /green card system if requested
- Do not allow any student to leave the premises without utilizing “The Planned Student Parent Reunification Process.”

The “Planned Student-Parent Reunification Process” means that teachers will never directly release students to parents in an emergency. In the event this process is needed, a centralized check out will be set up that parents will access. Students will only be allowed to leave your group when you are notified to release them by an administrator or designee and they will then go through the centralized check out location to be released to the parent or guardian.
